

## A Short-Hand Explanation of Nkrumahism-Touréism:

### The Ideology of the AAPRP

Nkrumahism-Touréism takes its name from Osagyefo Kwame Nkrumah and Ahmed Sekou Touré; two of the foremost Revolutionaries to Struggle to liberate and unify Africa under scientific socialism. More importantly, it is the application of the universal laws of revolutionary growth and development of the particular conditions of Africa and her children.

## **The Critical Elements of Nkrumahist-Touréism Ideology:**

### **“The Primacy of Africa”**

(The Home and Freedom of all Black People is centered on the land of Africa)

### **“The Integrity of the Revolutionary African Personality”**

(Our African Personality is developed by our Revolutionary Cultural diet)

### **“Humanism, Egalitarianism & Collectivism”**

(These values are based within our traditional culture and must be integrated amongst us now)

### **“Dialectical & Historical Materialism”**

(All Change is inevitable, whether evolution or revolution, and is dominantly positive or negative)

### **“Harmony of Revolution & Religion/Spirituality”**

(The essentials of these are harmonious and must build progressive change together)

### **“Necessity of Mass, Permanent Political Education, Organization & Action”**

(Keys to developing any Revolutionary and Revolution)

### **“Revolutionary Ideology as the Greatest Asset”**

(Our Power Begins in Our minds, then is translated into Action)
